

Welcome back and I am sure we are all wondering what 2021 will have in store for us.

What a fabulous turn out of parents on day one of the term, and I sincerely thank you for your cooperation with our requests, of not entering buildings. A big welcome to our new families and welcome back to those who have been here for some time, and some of whom were reflecting that this was their "last first day at our school."

The buzz around the school long before staff were due back was incredible, staff new and not so new were on site cleaning their classroom and making preparations for day one, with such a sense of pride. Part of our induction process with all staff during week zero was ensuring that at HHSP-7 we have high expectations of our staff and students. I have already seen this in action. So who is new, and who do we welcome back? Mrs. Doyle is in Room A, Mrs. Lesses Room D, Mrs. Davaliant Room 5 and Mr. Vigor & Mr. Gaedt in Rm 3. Mrs. Vigor is teaching the Arts, Mr. Vigor is our Aboriginal Education Teacher 2 days a week and Mr. Gaedt resumes his responsibility for PE. Mrs. Nursey-Bray is back Monday-Wednesday in Curriculum Support and Intervention. And to our valuable team of support staff we are so happy to have you on board.

Have a great weekend and see you next week

## Teachers at work

During week zero our staff were engaged in professional development which included quality curriculum planning and effective engagement strategies, and knowing your learner. Everyone worked so hard we even went out for lunch on Friday. Then went back to work with such enthusiasm.
