

## Hello to all our family and friends of HHSP-7,

Thank you to our families for your continued support and understanding during these unprecedented times. We appreciate parents dropping students in the quadrangle area in the morning, and at the end of the day waiting outside of learning areas for students to be dismissed. As staff, we have enjoyed catching up with all our families either in person or with the use of technology.

The Department for Education (DfE) have continued to support additional cleaning on school sites, for example, washing down our playground equipment before playtime, wiping down computers and ensuring adequate hygiene supplies.

As we end April and begin May, we are continuing safe practices and therefore there will be no assemblies and or whole of site gatherings. We have re-opened our library for borrowing books which will be kept at school. We do ask that you please check and or return any library books that you may have at home, as the last time children borrowed was early March!

We cannot let COVID 19 stop us in an opportunity to acknowledge our Mums, so our annual Mother's Day Stall will be operational for P-7 students to purchase a gift next Wednesday in our library. Gifts range from \$2 - \$8.00 and classroom teachers will support children during their allocated times.

### Year 7 Students:

All year 7 students should have received an envelope regarding transition to High School. The DfE have all information on line for you to also read up on. On page 8 of the booklet there are clear guidelines to support you in completing your online registration, of interest for preferred High School. The application has to be completed by 22 May 2020.

### Room A update:

Both Mrs Fassina and Mrs Lambert are on leave for Term 2. We welcome Mrs Doyle (Melissa) who will be in the class on Mondays and Tuesdays and we will be sourcing an appropriate teacher for Wednesdays to Fridays. We will advise Room A families as soon as possible.

*Cathryn*
