

Dear our Families and Friends,

The fun has continued over the past few weeks, our cooking and gardening program has been thriving, with all students participating in developing a wide variety of skills. Students have been learning how to correctly use gardening tools, along with experimenting with some exciting recipes with produce from our school garden.

Throughout Reconciliation Week the classes participated in a wide range of activities. We finished the week off with a free BBQ for all staff and students on site, sharing together as a community in the courtyard. Students then proudly presented their activities and learning at assembly. Thank you to all of the families and carers that were able to attend this assembly.

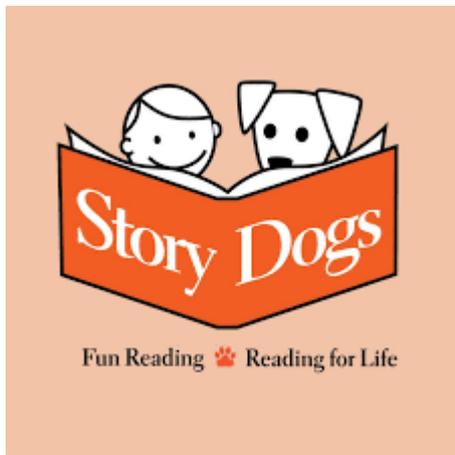

Just a friendly reminder that school photos are next week on Thursday, along with our Reception to year 5 students participating in water Safety in week 8.

Cheers,
Aaron Vigor

Week	IMPORTANT DIARY DATES Term 2 2023
6	Student free day Friday 9 th June
7	King's Birthday Public holiday Monday 12 th June School Photo Day Thursday 15 th June
8	R-5 Water safety (swimming) Monday 19 th – 23 rd June Governing Council meeting Tuesday 20 th June
9	Newsletter Friday 30 th June
10	Year 4-6 CAMP Wednesday 5 th – Friday 7 th July School Reports Friday 7 th July

SAFETY

Please do not walk your child/children through the staff carpark.

Thank you, Leanne and Terri

Every Wednesday Leanne and Terri (the dog) read with our students. It is delightful to witness the children's excitement when Terri arrives. The positive outcomes of this experience include improved focus and growth in literacy skills.

National Simultaneous Storytime is an Australian wide event which was held on the 24th May. This nation-wide reading event brings school age children together in different settings to listen to the same picture book, at the same time.

Bucket filler awards

Mark- for being a good friend and letting me join in games.
