

Dear Families and Friends,

At our assembly today there was a science theme across primary classes presentations which were informative and well presented. Room B students showed off their literacy learning which demonstrated their improvement in learning, including their handwriting.

Yesterday, Mr Vigor and I attended a Portfolio meeting where we met Adam Box, the new Education Director for our area. I look forward to Mr Box visiting our site next week to see the great learning that occurs at our school, and meet our great students and hardworking staff. Our learning yesterday reinforced our understanding of the DIBELS data and how we can further support our teachers and students, by being able to provide the right interventions for students. We will be working on this with staff at our Student Free Day on Monday of week 6, to guide and improve their knowledge to understand what the data is demonstrating.

Thank you to our parents who are vigilant when driving a vehicle within our school zone. There was an incident today which reminded us that children do not understand the road rules or the potential dangers associated to navigate the movement of other road users. Please continue to look out for our students.

Enjoy your weekend

Cheers, Cathryn

Variety Easter Picnic Zoo Excursion

Our school was lucky enough to be chosen to attend the Variety Zoo excursion. It was a busy day with lots of tired students (and staff), but everyone had an amazing day. It was great to spend time off site with the students as a whole school.

The Band of South Australian Police presented a 35-45 minute performance which included music from well-known television shows and movies. Incorporated into the show were police safety messages, ranging from small-wheeled vehicle road safety, personal safety, emergency phone numbers and internet safety. All of our students got really involved with the band.

For many years Huntfield Heights School P-6 have been committed to participating in Commissioner for Children and Young People, student voice postcards. This year our school was recognised as a Champion School and awarded a trophy as an acknowledgment. Baylee and Noah went with Mrs Herbert to the Convention Centre to receive this award.
